Dear Commissioners:

On behalf of the 100 Black Men of Tallahassee Area, Inc., I am requesting a contribution from the Leon County Board of County Commissioners to our Twelfth Annual Black Tie Affair that will be held on March 25, 2006. The proceeds from this event will benefit our mentee program, Project Success.

Let me provide you with a brief overview of Project Success. We select a group of eighth grade students (both male and female) from the Tallahassee area and mentor them through graduation from high school by providing various support programs and activities. The mentee enrollment process is cyclic in that, when one group of mentees graduates from high school, we identify another group of students and begin again.

Our interaction with our mentees does not end with graduation from high school; we continue our commitment and interaction throughout their college education, providing financial assistance and moral support. Over the years, we have had mentees to successfully complete graduate school and become skilled professionals and entrepreneurs.

The 100 Black Men of Tallahassee Area is not an organization of only words, but of action as well. We encourage you to join our commitment and support our Twelfth Annual Black Tie Affair. For your information, I am attaching our various support levels.

Finally, the 100 Black Men of Tallahassee Area is a Section 501(c)(3) organization. Should you require our identification number, please contact me.

Thank you for your consideration of our request.

Sincerely,

John E. Lawrence, Co-Chair
Twelfth Annual Black Tie Affair
